THERMOCOUPLES AND PYROMETRY SUPPLIES

*Buy Direct - Custom Manufactured
in Our Lab to Your Specifications*

- Thermocouple Assemblies
- Insulators
- Platinum Elements
- Thermowells
- Multipoint Assemblies
- Strip Panels
- CIP Sanitary Connections
- RTDs
- Plugs and Jacks
- Protection Tubes
- NIST Tracable Calibration
- Heads and Blocks

THERMOCOUPLE WIRE

*Produced in our state-of-the-art
manufacturing facility*

Survey Wire:

- Glass Insulation
- High Temperature Glass Insulation
- Vitreous Silica Insulation
- Ceramic Fiber Insulation
- Stainless Steel Overbraid
- NIST Tracable Calibration

Extension Wire:

- Polyvinyl (PVC) Insulation
- Teflon® Insulation
- Synthetic Fiber Insulation
- Rubber Insulation

Bare Wire:

- All gauges are available

HEAT TREATING ACCESSORIES

- Stop-Off Coating
- Oxygen Probes
- Nickel Catalyst
- Flow Meter Parts
- Tie Wire
- Tempil Products
- Stainless Steel Foil Tool Wrap

RECORDING CHART PAPER AND MARKING PRODUCTS

- Circular Charts
- Custom Charts
- Roll and Fanfold Charts
- Thermal Charts
- XY Plotter Paper
- Print Wheels
- Disposable Pens and Ink
- Ribbons
- Thermal Print Heads
- Cartridges
- Inkjet and Toner Cartridges

CHART RECORDERS AND SYSTEMS

- Circular Chart Recorders
- Strip Chart Recorders
- Sensors
- Paperless Recorders
- Flow Meters
- Pressure Recorders
- Transducers
- Transmitters

HARDNESS TESTING SUPPLIES

- Rockwell Test Blocks
- Brinell Test Blocks
- Microhardness Test Blocks
- Accessories
- Diamond Penetrators
- Ball Penetrators
- NIST Traceable HRC Test Blocks
- NIST Traceable HRC Penetrators

INSTRUMENTATION AND CONTROLS

- Controllers and Indicators
- SCRs
- Flame Safeguard
- Drive Motors
- Burner Management
- Actuator Motors
- Gas Train Components
- Heater Bands

CALIBRATION

GeoCorp's Calibration Laboratory is in conformance with the criteria set forth in ISO/IEC 17025 and NIST Handbook 150. GeoCorp is third party accredited by NVLAP (Lab Code: 200496-0). NVLAP (National Voluntary Laboratory Accreditation Program) is a U.S. Government entity administered by the N.I.S.T., an agency of the Department of Commerce.

GLOBAL PROVIDER TO INDUSTRY AND GOVERNMENT:

**AEROSPACE • AUTOCLAVE • AUTOMOTIVE • CERAMICS • CHEMICAL • COMPOSITE
CREMATION • DAIRIES • EMISSIONS MONITORING • FOODS/BREWERIES • FURNACE PROFILES
GLASS • HEAT TREATMENT • INDUSTRIAL MONITORING • LABORATORY • METALS
OIL/GAS • POWER PLANTS • QUALITY ASSURANCE • UTILITIES • WASTE TREATMENT**
